InSITE™ RG-59 90˚ BNC Compression Connector

Right angle BNC compression connector for RG-59 coax cables. InSITE™ technology to verify cable is fully seated in the connector before compression. Simplifies security camera installations.

- 90˚ design for better cable routing in compact spaces
- Nickel plated brass external construction with gold plated fixed center pin contact
- InSITE™ window allows verification of proper cable insertion before compressing the connector
- 3GHZ, 75Ω rated for use in all video based applications such as security cameras and video distribution
- Fits cables with .230" - .250" jacket diameter
- Fits cables with .142" - .148" dielectric diameter
- Fits cables with 23-18 AWG solid center conductor
- Requires industry standard ¼" x ¼" cable preparation
- Recommended IDEAL cable prep tool: 45-605
- Recommended compression tool: 30-793
